WORK EXPERIENCE

Retail Market Intelligence Intern

PT PLN Icon Plus (PLN Subsidiary) - Market Strategy & Analysis Division, Jakarta Jan 2026 - May 2026

- Produced a monthly competitive intelligence report benchmarking pricing, promotions, and homes-connected/passed metrics across 5+ broadband providers (IndiHome, MyRepublic, Biznet, XL Satu, HiFi), integrated with senior analysts' findings into divisional reporting for management review

Computer Programming Teaching Assistant I & II

Introduction to C++ & Python | Object-Oriented Programming (Java & Python) Feb 2025 - Dec 2025

- Supported 90+ students across two semesters in diagnosing logic errors, correcting misconceptions, and understanding programming concepts
- Communicated technical concepts to non-technical learners, building structured explanation and documentation skills

Digitalization Intern

LEAD Internship FEB - Universitas Padjadjaran Jan 2025 - Jun 2025

- Contributed to problem discovery by engaging with stakeholders to understand process challenges and translating needs into actionable product requirements
- Supported the design and prioritization of process improvements, modeling as-is and to-be workflows using BPMN to align business objectives with user needs
- Presented the proposed solution and expected business impact to faculty stakeholders as part of a team initiative

ORGANIZATION EXPERIENCE

Staff of External Relations

Himpunan Mahasiswa Bisnis Digital Feb 2024 - Dec 2024

- Project Officer for Digicare; coordinated cross-functional stakeholders and drove program execution from planning to delivery, also secured Rp 5,585,500 in funding within a month through structured external outreach
- Initiated and organized company visits for 180+ students with DANA Indonesia, MarkPlus Inc., and Grab Indonesia, managing end-to-end stakeholder coordination
