WORK EXPERIENCE

Retail Market Intelligence Intern

PT PLN Icon Plus (PLN Subsidiary) - Market Strategy & Analysis Division, Jakarta Jan 2026 - May 2026

- Produced a monthly competitive intelligence report benchmarking pricing, promotions, and homes-connected/passed metrics across 5+ broadband providers (IndiHome, MyRepublic, Biznet, XL Satu, HiFi), integrated with senior analysts' findings into divisional reporting for management review

Computer Programming Teaching Assistant I & II

Introduction to C++ & Python | Object-Oriented Programming (Java & Python) Feb 2025 - Dec 2025

- Delivered weekly programming material over two semesters, supporting 90+ students across Introduction to Programming (C++, Python) and Object-Oriented Programming (Java, Python)

Digitalization Intern

LEAD Internship FEB - Universitas Padjadjaran Jan 2025 - Jun 2025

- Participated in team discussions to identify process challenges within the SBA letter-request system, weighing in on as-is and to-be workflow diagrams (BPMN) developed by the team
- Contributed to early-stage development of a React-based prototype for the proposed solution, gaining hands-on exposure to translating process requirements into a technical build
- Presented a portion of the proposed solution and expected business impact to faculty stakeholders, including SBA representatives, as part of a team presentation

ORGANIZATION EXPERIENCE

Staff of External Relations

Himpunan Mahasiswa Bisnis Digital Feb 2024 - Dec 2024

- Served as Project Officer for Digicare, a Ramadan donation campaign, coordinating outreach efforts that collectively raised Rp 5,585,500 within one month
- Co-organized company visits for a combined total of 180+ students to DANA Indonesia, MarkPlus Inc., and Grab Indonesia, managing event logistics including scheduling, attendee coordination, and transportation
